First name

Last name

Email address

Institution Affiliation

Are you currently a graduate student?

○ Yes

○ No

Title/Position

Have you attended MMARI in the past?

○ Yes

○ No

Have you attended MATI in the past?

○ Yes

○ No

Highest degree obtained

- ◯ Bachelor's degree
- ◯ Bachelor's, and currently pursuing doctorate degree
- ◯ Master's degree
- ◯ Master's degree, and currently pursuing doctorate degree
- ◯ Doctorate degree (PhD, EdD, MD, etc.)
- ◯ Other

Year highest degree was awarded (or will be awarded if currently enrolled)

Field of highest degree awarded (or will be awarded if currently enrolled)

Field of research interest

Citizenship Status

- ◯ United States citizen
- ◯ Permanent resident
- ◯ International resident working at a U.S. institution
- ◯ Other

Which of the following terms best describes your **gender** identity?

- ◯ Male
- ◯ Female
- ◯ Non-binary
- ◯ Other
- ◯ Prefer not to say

Which of the following terms best describes your **race** identity? (Select all that apply)

○ American Indian / Alaskan Native

○ Asian

○ Black / African American

○ Middle Eastern

○ Native Hawaiian / Other Pacific Islander

○ White

○ Other

Which ethnicity best describes you?

○ Hispanic/Latinx

○ Not Hispanic/Latinx

Which two areas might you submit an IES Exploration grant on? (Select no more than two)

○ Cognition and Student Learning

○ Early Learning Programs and Policies

○ Education Leadership

○ Education Technology

○ Effective Teachers and Effective Teaching

○ English Learners

○ Improving Education Systems

○ Postsecondary and Adult Education

○ Psychology of Education

○ Reading and Writing

○ Science, Technology, Engineering, and Mathematics (STEM) Education

○ Social and Behavioral Context for Academic Learning

○ Special Education

○ Special Topics in Education Research

○ Other

What do you feel has been the most significant barrier in learning meta-analysis methods?

Have you been part of a meta-analysis? If so, what was your role(s)? (Select all that apply)

○ Project direction (Principal investigator/Project director)

○ Data collection (Coder/Screener)

○ Data analysis/meta-analysis

○ I have not been a part of a meta-analysis

○ Other

In a few words, describe a systematic review and meta-analysis project you have participated in and your role in the project. If your project included a meta-analysis, what effect size family did you work with?

What is your highest level of statistical training?

○ No formal statistics courses

○ Introduction to statistics (descriptive statistics and simple inferential statistics)

○ Intermediate statistics (regression and ANOVA)

○ Advanced models in statistics (HLM, SEM, Multivariate models)

○ Other

What statistical software do you use regularly? (Select all that apply)

○ SPSS

○ Stata

○ SAS

○ Minitab

○ Systat

○ R

○ I do not use any statistical software regularly

○ Other

What is your most advanced experience with R?

- ○ I have not used R
- ○ Downloaded and opened R
- ○ Used R for a homework project
- ○ Used R for other statistical analysis
- ○ Used R for meta-analysis
- ○ Other

Have you been the PI or Co-PI of a research grant submitted to IES?

- ○ Yes
- ○ No

Do you have a planned IES Exploration meta-analysis project? If so, please write a paragraph describing your project. We strongly encourage you to write this in your own words.

How will this workshop influence your future research?

How did you learn about MATI?

- ○ IES Newsflash
- ○ Non-IES Listserve
- ○ Social media
- ○ Colleague told me about it (please share their name below)
- ○ MATI Alum
- ○ Other

Upload your CV here. Your CV should be no longer than three pages, Times New Roman, 12-point font, and PDF format

If you are a doctoral student, we will contact your advisor for a one-page letter of support. Please list your advisor's name and email here. (ie. First Name, Last Name, <email address>)
